APPRENTICE PILOT CERTIFICATE EXAMINATIONS

• Laws, Regulations, and Basic Principles Examination

- 1 *Pest Control Aircraft Pilot Study Guide.* This study guide was written specifically for persons preparing for the DPR examinations for certification as an apprentice and journeyman pest control aircraft pilot. Its 200 pages concisely present pesticide-use information using text, color photographs and line drawings. A panel of experts, including six active certified pest control journeyman aircraft pilots, developed the study guide. It contains comprehensive study material that covers the four major topic areas on the examinations: laws and regulations, pest management, pesticide safety, and aerial application technology. This study guide is available in three formats: a hard copy volume, as a PDF file on CD-ROM, and as a PDF file that can be viewed or downloaded from our website, <<http://www.cdpr.ca.gov/docs/license/lcpubs.htm>>. The hard copy volume sale publication code is Item #642 and costs \$15.00; the CD-ROM sale publication code is Item #643 and costs \$5.00. Both prices include shipping and handling. To order, please contact: Department of Pesticide Regulation, 1001 I Street, P.O. Box 4015, Sacramento, California 95812-4015, or by telephone at (916) 445-4038. Please include your check or money order, made payable to: Cashier, Department of Pesticide Regulation.
- 2 *Laws and Regulations Study Guide.* This study guide concisely summarizes the pesticide-use laws in the California Food and Agricultural Code and the pesticide-use regulations in Title 3 of the California Code of Regulations. This study guide is available in two formats: a hard copy volume and as a PDF file that can be viewed or downloaded from our website, <<http://www.cdpr.ca.gov/docs/license/lcpubs.htm>>. The hard copy sales publication code is Item #626 and costs \$15.00, including shipping and handling. To order, please contact: Department of Pesticide Regulation, 1001 I Street, P.O. Box 4015, Sacramento, California 95812-4015, or by telephone at (916) 445-4038. Please include your check or money order, made payable to: Cashier, Department of Pesticide Regulation.
- 3 *The Safe and Effective Use of Pesticides.* This publication includes chapters (400 pages) dealing with pest identification, pest management, pesticides, pesticide laws and regulations, hazards associated with pesticide use, protecting people and the environment, pesticide emergencies, effective use of pesticides, pesticide application equipment, and calibration of pesticide equipment. The sale publication code is #3324. The cost is \$35.00 plus 8.75% California sales tax, postage, and handling. This publication can be ordered from: Publications, Division of Agriculture and Natural Resources, University of California, 6701 San Pablo Avenue, Oakland, California 94608-1239, or by telephone at 1 (800) 994-8849 (within California) or (510) 642-2431, or online at <<http://www.anrcatalog.ucdavis.edu/>>. Also, it can be ordered from Agricultural Information Publications, University of California, Davis, California 95616,

or by telephone at (530) 757-8930, or from your local county farm advisor's office, University of California Cooperative Extension. Please include your check or money order, made payable to: The Regents of the University of California.

- 4 *California Food and Agricultural Code* (FAC). FAC division 6, "Pest Control Operations" sections 11401–11456 and sections 11501–12408. FAC division 7, "Agricultural Chemicals, Livestock Remedies, and Commercial Feeds" sections 12500–2582; 12601–12784; 12801–13102; 14001–14155, and sections 29080–29103. FAC book may be available at libraries. It is also available on our web site at <http://www.cdpr.ca.gov/>.
